5 free AI tools that run a small business while you sleep

Each one is free on its base plan, takes under 20 minutes to set up, and removes one job you do by hand. Links are the official pages.

#	Tool	What it does for you	Set-up time	Link
1	**Google Business Profile** (AI review replies)	Drafts a reply to every Google review in your tone; you tap approve. Reviews with replies rank higher in local search.	10 min	business.google.com
2	**Canva Magic Write**	Writes captions, promo posts and menu or service descriptions from one line of notes.	5 min	canva.com
3	**Google Calendar appointment schedules**	A booking page that fills your real calendar; clients pick a slot, reminders go out automatically.	15 min	calendar.google.com
4	**Wave** (free invoicing)	Invoices, receipts and payment reminders; see who hasn't paid.	20 min	waveapps.com
5	**Ava by Kinetic Agents** (AI receptionist)	Answers the phone when you can't, books the appointment, texts you the details. Free for 7 days, we set it up for you, no automatic billing.	one 15-min call	kineticdepth.com/session

Order to do them in: 3 (bookings) → 5 (phone) → 1 (reviews) → 2 (posts) → 4 (money). The first two stop you losing customers; the rest save hours.
